

GLOBAL STRATEGY CONFERENCE 2023

MANUSCRIPT GUIDELINE

1- The language of the full-text study should be in English, it should be written in MS Word program (.doc .docx), Times New Roman character and single-spaced. 11 points should be used for the text and 10 points for the footnotes.

2- Quotations used in the text should be given in double quotes; Quotations exceeding 4 lines should be written as a new paragraph, indented from the left and right, single spacing and block. Quotations within the quotation should be written in single quotes.

3- Words that want to be emphasized in the full-text should not be italicized, bold or underlined, but should be written in single quotes.

4- [APA Reference System](#) should be used during the study. Footnotes should not contain references. The bibliography should be prepared with a section at the end of the text.

6- Full-text study should be at least 6,000 and at most 8,000 words, including everything (footnotes, abstracts, bibliography, etc.).

7- Abstracts and Keywords should be added to the full-text. Abstracts should be between 250-500 words and contain five keywords.

8- There should be the names and surnames of the author(s) (16 font size, bold, right-justified, 12 pt space before and after the paragraph) under the Study Title; title and institution name of the author(s) as a footnote (10 font size) with an * sign at the end of the last name.

9- The study consists of sub-sections suitable for the author's fiction. At the end of the full-text, there should be a "Conclusion" or "Instead of Conclusion" section.

10- Sequential numbering should be used in the headings. Abstract, Keywords and Bibliography titles should not be numbered. The use of more than four subheadings should be avoided whenever possible. The titles of the study should be prepared as follows:

LEVEL ONE

All letters are CAPITAL, **bold**, 20 font size, 12 pt space before and after, single line spacing, in the middle (Study Name)

1. LEVEL TWO

All letters are CAPITAL, **bold**, 12 font size, 12 pt space before and after, single line spacing, left justified, first line indent 1 cm. (main headings like Introduction, Conclusion, etc.)

1.1. Level Three

Initial letters Capitalized, **bold**, 12 font size, 6 pt space before and after, single line spacing, left justified, first line indent 1 cm.

1.1.1. Level Four

Initial letters Capital, *italic*, **bold**, 12 font size, 6 pt space before and after, single line spacing, left justified, first line indent 1 cm.

11- Deadlines for submission of studies:

Full Paper Submission: 07 April 2023

12- Full-texts should be send via conference@dipam.org
